

PanAf Logistics Ltd.

Company Profile

Make the right move

PanAf Logistics Ltd, was established in 2020 and is already one of the leading international freight forwarding companies delivering cost-effective solutions throughout the African region.

Our business is focused on air, sea and logistics worldwide. At PanAf Logistics Ltd, we are enriched with a unique capacity of blending together a dynamic global network with efficient and around-the-clock customer service. We deliver flexible solutions of dedicated logistics to worldwide customers, encompassing freight forwarding, consolidation, customs clearance and delivery services.

With the perfect blend of experience and skills of our highly dedicated staff, we are able to respond to the unexpected changes of the markets, shifting customer requirements and trade routes with due flexibility, which enables us to offer our clients the best planned services in the market.

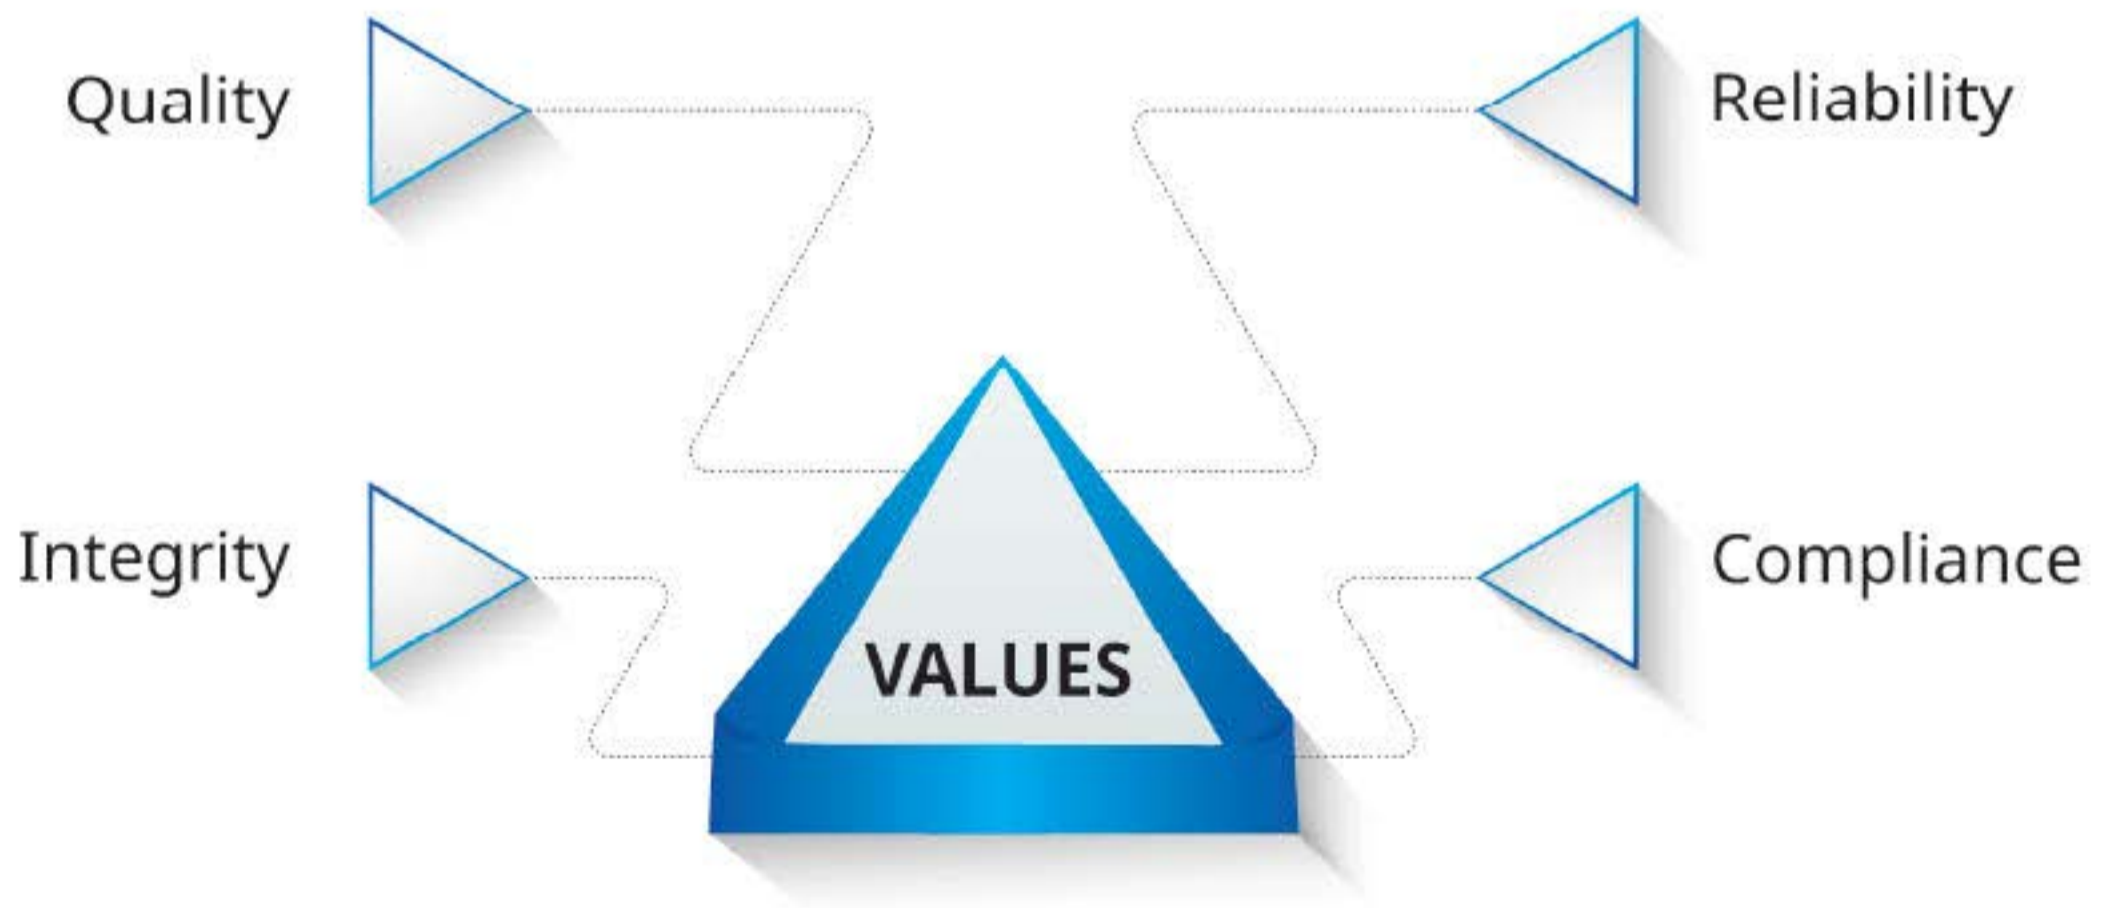

Mission:

Our mission is to satisfy our customers with total logistical solutions that are timely, innovative, effective and efficient.

Vision:

Our vision is to be the leading Freight and logistics solutions company of choice in the region.

Quality Statement:

Quality is not an option, but a necessity and the only way! With our pool of skilled professionals, we constantly monitor operational performance with a keen eye for continuous improvements; we focus on the development of logistics technology and global best practices to ensure that our services remain relevant and offers contemporary solutions to our clients' needs.

Compliance Statement:

PanAf Logistics Ltd is thoroughly committed to conforming with international and local laws on ethical standards of conducting business. As one of the prime forwarders, we have robust security policies and procedures in place which meet all international security requirements and regulation.

Our employees are consistently informed and trained on international levels of best ethical practices in the business which are strictly implemented and followed.

HSE Statement:

We believe that safety is a shared commitment. PanAf Logistics Ltd respects and promotes, without reservation, safety awareness and accident prevention throughout the organization.

Our goal is to promote health, safety and environmental policy throughout our organization.

Our Services

Packing And Removals:

We have experienced and professional packers with a unique way of packing and crating your cargo. You can be assured of the safety of your goods even for the most fragile and delicate items.

Air Freight:

Due to the sensitivity and time pressures involved in airfreight, our service plans are tailored to meet every customers' specific requirements. This is accomplished by learning our customers' exact objectives with regards to their internal and external requirements.

Our team of Air Freight professionals follows through on each and every shipment so that our customers can be assured of real-time status reports on all import and export air freight shipments at all times.

Sea Freight:

Ocean Freight is one of the key elements in multimodal transportation service. In order to offer the best service possible, we have a dedicated Ocean Freight Department specializing in FCL, LCL, Break-Bulk, Project Cargo and different types of cargoes on a global scale.

Our worldwide logistics services covers not only shipments from port-to-port, but also the complete door-to-door supply chain solution.

Door to Door:

PanAf Logistics Ltd handles everything for you - from the time we collect your goods to time they arrive at your chosen destination. Our charges include customs clearance, terminal fees, and local delivery costs to shipping addresses across Africa and overseas.

Express International Courier Service:

Our express international courier team consists of highly experienced and professional personnel who have the highest level of commitment and who believe in personalized service to their customers favorite courier service where we work in partnership, offering quality and reliability. This enables us to be our customer's number one choice.

Customs Clearance:

Due to the rapidly changing demands in the logistics scene, good understanding of customs procedure and expertise is required.

PanAf's customs brokers are comprehensively trained to understand complex customs procedures of each specific area of operation. All personnel dealing with customs are qualified and suitably certified by customs to handle customs operations respectively.

Our customs brokerage team takes full and complete responsibility to ensure that the correct documentation is prepared well in advance of all import and export deadlines in order to avoid expensive and time-consuming delays.

Why Choose Us?

We handle every shipment with high level of customer service, reliability and speed. You will get personalized service and attention at every level with PanAf Logistics because we are truly independent, make our own decisions and specialized in all major sectors.

Our in-depth knowledge of the logistics market, coupled with our global network makes PanAf Logistics a “one-stop-solution” to meet all of your logistics requirements.

PanAf Logistics has contracts with major international carriers. We also have a direct airline and express services for more urgent consignments and confirmed space allocation facilities with all reputed Air Carriers. Whether you are looking to relocate household goods across the region or move an offshore drilling platform across the seas, PanAf Logistics has the capability, expertise and experience to make it happen. Additionally, our strong relationship with customs and port authorities gives us an added advantage.
